Sir,

Herewith I am sending you a copy of the letter I sent
to the Secretary of State Hon. William P. Rogers.

Of the letter you will be informed that we, the Bulgarian National Front, are asking for investigation of the case concerning the time, when Bulgaria was captured by the Communists, because today the official records of the Department of State, on basis of false reports of former communist collaborators, now living in the United States, did not represent the truth and damaged the prestige of the United States in favor of the Communists.

Knowing you as a friend of the Bulgarian people we ask
for your support for establishing the truth.

Thank you.

Sincerely,

[Handwritten signature]
Dr. Ivan Docheff, President
Bulgarian National Front
